

**Unwrap Focus IQube. Remove the 5/8" carbon rod from the shipping tube. Remove the Inert Noble Gas insert from inside the shipping tube. Remove Quartz Disc, turn Focus IQube on 45 degree angle and gently lower carbon rod and then Focus insert into the crystal tube. Replace Quartz Disc.**

**Plug power cord into back of amplifier, Make sure audio button is pushed-in; turn treble dial left to minimum and turn Bass dial right to maximum. Turn volume control up. This unit is designed to play 24/7.**

**Connect cables as shown above. Connect speaker system (green 3.5mm plug) to remaining mini connector on Y cable. Plug AC cord into digital player Power Dock" for continuous operation.**

**Push side slide control up and hold for a few seconds to turn digital player on. Repeat this process to put the unit to sleep.**

**On digital player select music, then sounds, then "Focus Program".**

Place 1 bottle of concentrate on top of your Focus IQube. Allow program to run through 1 cycle. After the program is finished mix 2 oz's with 1 gallon of distilled water. **(You must use distilled water, we require water that has been stripped of memory. Filtered water will not do. Our process will amplify any remaining particulates in that water).** Shake well and let stand for 5 minutes.

Pour yourself a glass and you will notice that the distilled water has been transformed into sweet tasting water. Continue drinking the water throughout the days and weeks ahead. You will quickly notice that your Focus Water quenches your thirst while dumping stored toxins. You will experience an uptake of energy while your body is hydrating. Always leave a bottle of Focus Concentrate on top of your Focus IQube. The Focus Water acts like a tuning fork, radiating the positive frequency energy directly to the cellular bio-matrix of the body and environment.
